# Protect what matters most.

Personalize your IntelligentHome system with components that fit your home and lifestyle.

## Home security is just the start.

Time Warner Cable IntelligentHome

The easy-to-use security and home management system that puts you in control of your home like never before.

In-home touchscreen

### ➤ Remote access

From your smartphone, laptop or in-home touchscreen, you can arm or disarm your IntelligentHome system, view live video from indoor/outdoor cameras or even set your lights and thermostat to be just the way you like them.

### ➤ Round the clock protection

Your home is protected 24/7 by the Time Warner Cable 5-Diamond rated Emergency Response Center. Cellular and battery back-up (included at no extra charge) means you're covered in emergency situations, even if the power goes out.

### ➤ Watch live video, night and day

You have anytime, anywhere access to a secure Internet site and mobile app where you can watch live video from your indoor/outdoor cameras, so you can see what's happening in your home even if you're not there.

### ➤ Lighting and thermostat controls

Adjust your lighting and thermostat remotely, so your home is more efficient when you're away and more comfortable when you get back.

### ➤ Everyday apps

Check the weather, news and more, all right from your in-home touchscreen. Use the photo app and your touchscreen becomes a digital photo frame.

### ➤ Easy installation

No holes. No drilling. Installation is clean and simple, and since the connection is over broadband, you don't even need a phone land line.

### ➤ Excellent value

IntelligentHome includes:

- 24/7 Security Monitoring and Fire Protection
- Cellular and Battery Back-up
- In-Home Touchscreen
- Remote Access to Features
- Yard Sign and Window Decals
- Free Professional Installation
