MLB.TV Premium Features

- Includes live out-of-market games (blackout restrictions apply) and full game archives.
- Home or Away Feeds: Watch either the home or away teams' broadcasts.
- HD Picture: Speed detection technology delivers high definition video at the industry standard of 720p on any size screen.
- Live Game DVR Functionality: Pause and rewind live games. Jump back to create your own instant replay.

- Multi-Game Viewing Options: Watch up to four games simultaneously with the Mosaic® feature.
- Pitch by Pitch Tracking: Track the location, type and speed of every pitch. Picture-in-Picture: Choose one game and track another or watch in-game highlights simultaneously in a secondary window.
- Audio Overlay: Overlay the home or away team's radio broadcast over the live video or use the "Park" option to include the ballpark's natural sounds.
- Clickable Linescores: Go directly to any at-bat or half inning of a game.
- In-Game Highlights: Real-time highlights and player stats automatically load in the media player. With one click, the clip instantly launches in a picture-in-picture window.
- Player Tracker: Customize a list to feature entire fantasy rosters and receive on-deck notifications to watch live look-ins for each player. Simply click the alert and watch the at-bat live in a Picture in Picture window.
